

The Rwenzori Mountain Lodge

The Rwenzori (pronounced Wenzori) Mountain Lodge has been designed to cope with extreme conditions for those really challenging sites, and yet still give real glamping comfort.

The lodge sleeps 5 in bunks and has en-suite shower room and WC. The main living area can be fitted with a wood burning stove and a compact kitchen unit.

The enclosed front deck has hanging space for wet clothes and enough space to sit outside, whatever the weather.

We are offering the lodge in either shell only or with options on the interior fittings.

The lodge is divided into 4 rooms:-

1. Entrance Porch – 4m wide x 2.2m
2. Main living and dining room – 4m wide x 3.4m.
3. Bedroom – 4m wide x 2.2m
4. Bathroom – 4m wide x 1.2m.
5. Eave height – 1.8 metres
6. Overall height – 3.5 metres off deck surface
7. Overall size is 4m wide x 9m long.

The aluminium frame is located into a steel sub frame which supports the timber floor and bolts into a concrete base pad.

Canvas outer walls give the appearance of a tent but internally the walls are timber with insulation in the cavity.

The front doors are double glazed to allow plenty of light into the lodge.

Interior layout of the lodge, front deck to the left, bathroom to the right.

Front of the lodge showing optional windows in the side walls

Please note: - All images are copyright, and may not be reproduced without consent.

It is the owners' responsibility to ensure suitability of ground conditions for stakes, and the proposed tent position is suitable with regards to prevailing winds and likely storms. If you intend to keep your tents up permanently we recommend fitting wind break cones to the front of the tent. Please contact us for advice if you are in any doubt on any points raised here.

All prices quoted are based on installation on flat, firm ground. In certain circumstances longer guy ropes and stakes may be required, any changes to standard are chargeable and if not included at time of order may incur a delay in installation or additional charges for return visit. Please contact us if in any doubt.
