**Description:** *Albion Canvas is the most experienced yurt canvas cover maker in the UK and regularly makes replacement covers for existing yurts and covers for home made yurts. Every cover is tailor made to fit your frame, and the finish and detailing is second to none. All our staff are experienced commercial machinists with decades of experience. Prices start from £588.00 inc vat + £58.75 patterning charge for a 'Hobbit' canvas for a 10ft low wall yurt. Standard covers start from £1055.00 for a 10ft yurt. All the usual features are available from windows to groundsheets and stove fittings, 12oz or 15oz fire retardant cotton canvas or 12oz polycotton canvas in white, olive or sand brown. No extra charge for polycotton canvas, but 15oz covers are a little more expensive, contact us for a quote. We can make at a distance or bring your yurt to us for a full fitting service. Please see notes on the Yurt measurement sheet tab and check our trading terms please. The simplest idea is for you to send all dimensions and we will make up the cover as blanks. Then come down to the workshop for a final fitting which we will complete the same day. Call or email for an estimate on your cover first; all the dimensions required are listed on the 'Yurt Measurement Sheet' tab, you can copy and paste it, or we can post or email it to you. We will supply you with an itemised quote so you know exactly what you are getting for your money. All quotes without measurements are based on our standard yurts and therefore the finished price may differ. Photos show an Olive canvas being made up for a customers 12ft yurt. Three yurts in the workshop having covers made and fitted. A 15oz white cotton canvas cover being finished for a customers 19ft yurt.*
